Look up at the stars and not down at your feet. Try to make sense of what you see, and wonder about what makes the universe exist. Be curious.

Tap. Snap. Send. Relax

Deposit Anywhere makes cheque depositing a snap. Mobile banking is all about convenience, timesaving and the freedom to bank anywhere, any time you choose. Deposit Anywhere gets you one step closer.

Quickly and securely deposit CAD cheques with your iPhone, iPod Touch, iPad or Android phone or tablet. So whether you're at coffee with friends, at work, or staying up late to get your banking done—from now on any time is the right time to deposit cheques.

Say goodbye to line ups at the branch and at the ATM. And say goodbye right now by downloading our app to your iPhone, iPod Touch and/or iPad. Deposit Anywhere is a free service and just as secure as physical cheque cashing. Plus, it's fast. Most people complete their deposit in less than a minute and can do it from anywhere and at any time, day or night. It could take 2-3 Business Days for the funds to be deposited into your account. As in our existing practice with cheques deposited into an ATM, there will be a 5-day hold on all cheques deposited through this service. Please give us a call if you have any questions, or would like any information about our mobile app!
