TECU 19th Annual Golf Day (19 August 2013)

Participants turned out for a day of fun and adventure at the 19th Annual TECU Golf Day (In Memory of Terry Godfrey) held at the beautiful Lakeridge Links Golf Course on August 19th 2013. The glorious sunshine helped make a great day even better! Friendship and fellowship lasted all day long, as members got to reunite and catch up over a BBQ lunch (Sponsored by The Benefit Lady), 18 holes of golf with a cart (Cart Sponsored by The Energy Credit Union) and a delicious prime rib dinner (Sponsored by CRI Canada). There were door prizes and raffles which enabled us to raise \$715 for The Ronald McDonald House.

Our energetic celebrity MC Scott Fox, from Z103.5's morning show, kept us laughing and entertained all during dinner and the award presentation.

This year's awards were as follows:

Longest Drive (Men's) - Mike Shepherd,

Longest Drive (Women's) - Christine Couto,

Closest to the Pin (Women's) - Dahlia DaCosta

Closest to the Pin (Men's) - Andrew Asare

Best Foursome - Art Bevis, Mike Carnegie, Corey MacDonell, Rick Butler.

Terry Godfrey Memorial Award - James Billingsley

We would like to take a moment to thank our members, the many sponsors and Greg Hartley, for contributing to our success and making this day possible. Hope to see you all again next year!

Congratulations!

The Energy Credit Union Limited is dedicated to contributing to our members' well being and personal development and as such we want to help provide students with opportunities to pursue post-secondary education. In an effort to prepare students for the future and encourage them to become contributing and successful members, the Credit Union created our TECU Essential Life Skills Grant .

For 2013 our Grant committee awarded our \$1000.00 TECU Essential Life Skills Grant to Guang Xia Meng, to help fund expenses while pursuing higher education. Ms. Meng's ongoing commitment to education will surely help maximize her full potential. The Energy Credit Union would like to recognize her for her dedication and hard work.

If you think you could be our next grant winner please keep an eye on our website for the 2014 TECU Essential Life Skills Grant information.

Cyber Safe

As mobile phones are being used for more transactions and web activity, they are storing more personal information, web history, passwords, email, calendars, and contact information than ever before. A lost or stolen mobile phone no longer means just the loss of information or an increased phone bill from a thief's calls on your phone. These days it can result in total identity theft, financial disaster or infecting the devices of everyone in your contact list. Thankfully, there are simple measures you can take when it comes to protecting your passwords:

- All mobile phones can be locked by a password. It's a basic way of protecting your personal information if your phone is ever lost or stolen.
- Never stick with the default factory security settings – always manually set your own password or PIN, preferably one that's exclusive and tough to guess.
- Enable your password auto-lock so it always locks after a short period of time of not using your mobile phone.
